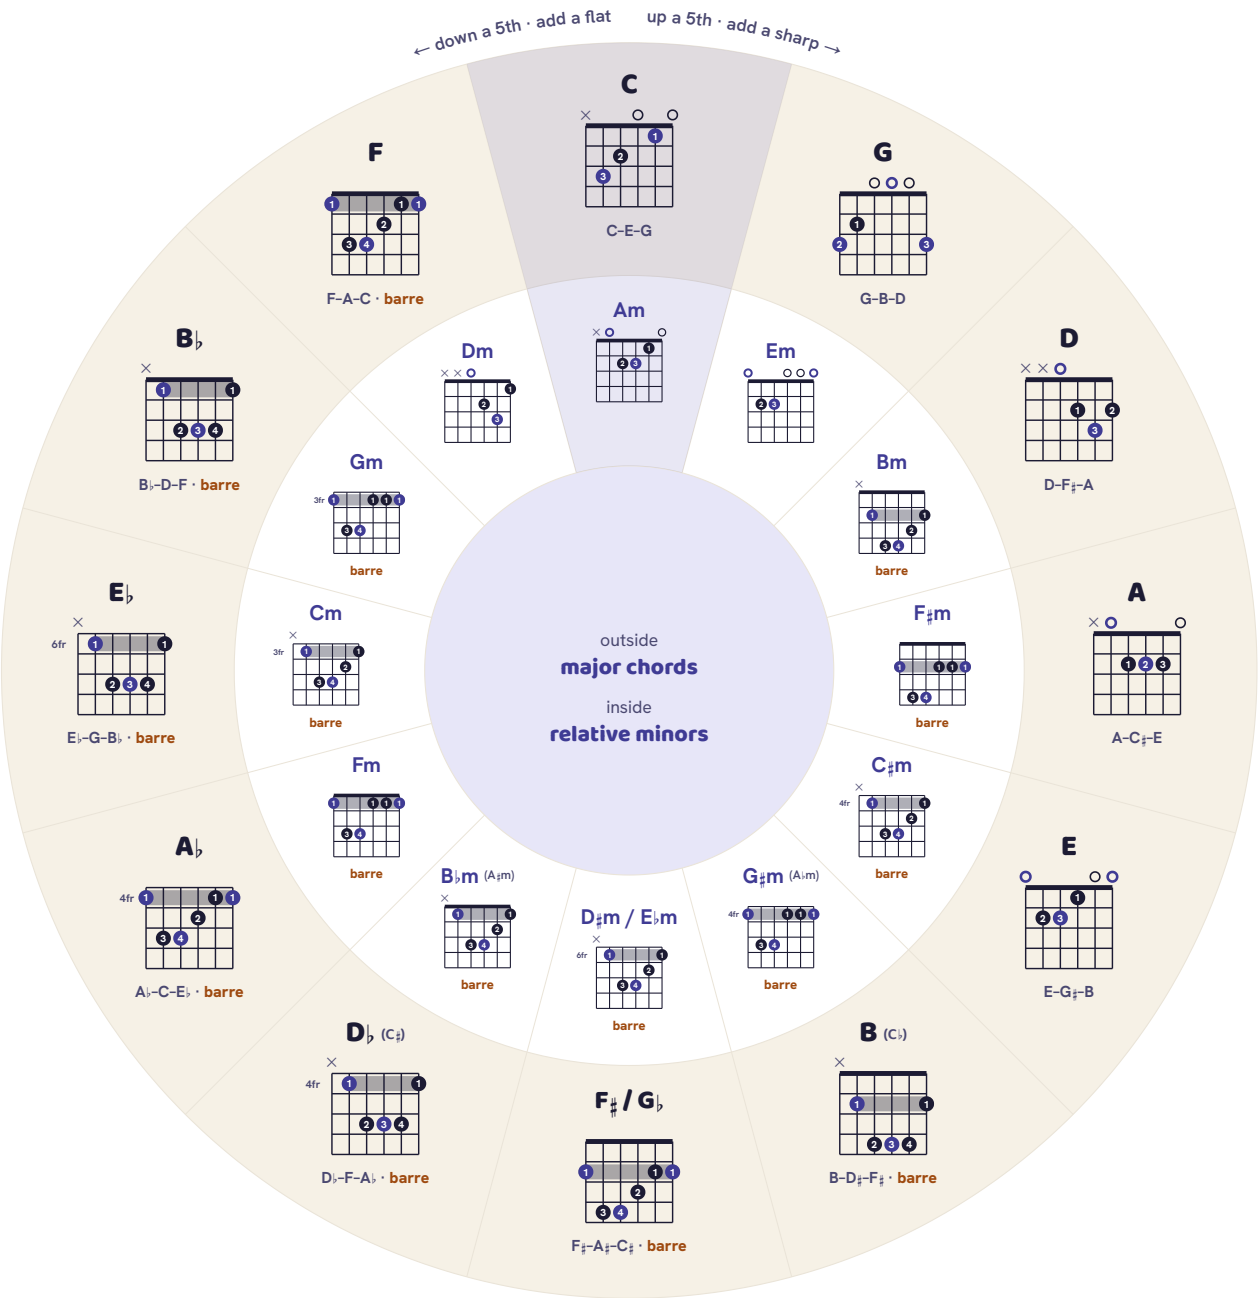
Circle of Fifths for Guitar

Every key's chord around the circle of fifths: the major chord outside, its relative minor inside. Open shapes where there is one; further round, barre shapes.



Low E string on the left. Numbers are fingers (1 = index). ○ play the open string, ✕ don't play it. Colored dot: the root. "barre": lay your first finger across the shaded strip; 4fr means the box starts at the 4th fret.
